

Haywood Pediatric & Adolescent Medicine Group, P.A.

VACCINE POLICY STATEMENT

Effective Date: 09-20-2012

Revised: 05-04-2018/10-22-2019/10-28-2019/10-04-2022

Haywood Pediatrics and Adolescent Medicine Group, PA, policy is to immunize according to the Advisory Committee on Immunization Practices (ACIP) schedule. All patients in the practice are required to stay on track to complete the recommended immunizations recommended by the ACIP schedule. Patients who are not immunized according to this schedule may be subject to termination from our practice. New patients will need to commit to follow our vaccine policy or will not be accepted into our practice.

We encourage you to discuss any concerns you have with one of our providers at your child's next appointment.
